11. **Related Party Transactions**

- 11.1. Related party transactions shall be deemed to be any transaction involving a transfer of resources, services or obligations between the Company or its subsidiaries or Associated Companies (within the meaning given thereto by section 256 of the Companies Act 2006) with related parties (within the meaning given thereto by the international accounting standards as defined in section 474 of the Companies Act 2006), whether or not any consideration is involved, but excluding those transactions which, in accordance with any provision of law (including the Disclosure Guidance and Transparency Rules and the Companies Act 2006), the Articles of Association of the Company and these Terms of Reference or in accordance with Article 11.2 below, do not constitute related party transactions ("**Related Party Transactions**").
- 11.2. Related Party Transactions shall not include: (i) operations or transactions between the Company and its direct or indirect wholly-owned subsidiaries, or between these subsidiaries; (ii) operations or transactions between the Company and its subsidiaries (or companies in which a member of the Iberdrola Group holds a minority interest) where no other party linked to the Company has interests in such subsidiaries (or such minority interest companies); (iii) the signing by the Company and any executive director or member of senior management of a contract governing the terms and conditions of the executive duties they are going to perform, including the determination of the remuneration to be paid for said duties (which must be approved pursuant to the provisions of the Articles of Association of the Company); nor (iv) transactions offered on the same conditions to all shareholders of the Company in which their equal treatment and the interests of the Company are assured.

- 11.3. Related Party Transactions must necessarily be approved by the sole member of the Company when they involve a transaction with a value exceeding ten percent of the Company's assets (or such other material value as determined by the sole shareholder of the Company). Where this threshold is not met, Related Party Transactions shall be submitted for approval to the Board of Directors.
- 11.4. The Board of Directors shall ensure that Related Party Transactions are fair and reasonable from the Company's standpoint.
- 11.5. Without prejudice to the foregoing of this Article 11, the Board of Directors may delegate the approval of transactions of the Company with other Iberdrola Group companies, or ScottishPower Group companies which are not excluded pursuant to Article 11.2 above, when these transactions are conducted in the ordinary course of business, including those resulting from the performance of a contract or framework agreement, and which are concluded on arms' length terms. For the approval of Related Party Transactions referred to in this paragraph the Board of Directors must establish an internal information control procedure, and which shall confirm the fairness and transparency of such transactions and, where appropriate, compliance with the criteria that allow for delegation.
- 11.6. The conducting of a Related Party Transaction places the Director who carries it out, or who is related to the person that carries it out, in a conflict of interest situation, thus the provisions of Article 10.5 of these Terms of Reference apply.
- 11.7. All Directors within the first quarter of each year (and in advance of the issue of the statutory auditor's report in respect of the Company's audited accounts) shall provide a report addressed to the Company of those Related Party Transactions that they have carried out, or persons tied to the Company who are related to them have carried out, during the previous year. Without prejudice to the foregoing, the Directors must immediately report in writing any Related Party Transaction in which they are involved or anyone related to them is involved that require approval by the Board of Directors under law or in accordance with the provisions of the Company's Articles of Association or these Terms of Reference. The reporting of Related Party Transactions must contain the following information: (i) purpose and nature of the transaction; (ii) date on which it began; (iii) main terms and conditions, including the value or amount of the consideration and the terms and conditions of payment; (iv) identity of the people involved in the transaction and relationship, where applicable, with the Director; and (v) other aspects, such as price policies and guarantees, that enables it to be assessed, including, particularly, information that makes it possible to verify that it is a fair and reasonable transaction from the Company's standpoint.
- 11.8. The secretary of the Company or such appropriate other person shall cause to be recorded the Related Party Transactions concerning Directors.
- 11.9. On an annual basis, the Board of Directors shall report to the sole member of the Company on any and all Related Party Transactions, such as they may exist.
