

PROFESSIONAL PROFILE AND BIOGRAPHICAL DATA

Helping us keep our business on track, **David Wark** was appointed ScottishPower Finance Director in January 2016.

David is also Director of ScottishPower Renewable Energy Limited and Scottish Power Retail Holdings Limited.

David has a wealth of experience since joining ScottishPower in 1999. As Finance Director of ScottishPower's Energy Retail business, David was responsible for both the finance function and a number of operational functions through a period of significant growth and change.

In 2008, David was appointed Group Financial Controller and was a Trustee of the ScottishPower Pension Scheme from 2004 to 2016. David is a member of the Institute of Chartered Accountants of Scotland and has an MBA from Strathclyde Graduate Business School. He has also completed an Advanced Management Programme at Wharton Business School.

Prior to joining ScottishPower, David worked as an external auditor for Price Waterhouse and then held senior finance and operational roles in various retail businesses in Scotland.

David is married with two daughters and is a keen golfer.
